

### Backflow Assembly Tester Resource List

Please be advised that only test result from certified testers that meet certain minimum requirements will be accepted by East Niles Community Services District and the City of McFarland. The resource list that is provided is not an endorsement of any firm, nor is it a guarantee/warranty of their work. This list is provided to City and District customers without any obligation on behalf of the customers to use their services. In order to be included on this list, a tester must demonstrate certification from the American Backflow Prevention Association (ABPA), or California-Nevada Section American Water Works Association (CA-NV AWWA), or a State Water Board-recognized organization, and certification/calibration of their testing equipment. The list is non exclusive, so there may be firms that meet these requirements that are not on the list. The cross-connection specialist reserves the right to include or remove any tester from this list without notice or cause. The list is provided to the customers merely as a service to identify testers who meet these general requirements.
